

October 2017

Vail Resorts is once again pleased to offer the Adaptive Pass Program for the 2017-2018 Winter Season.

Vail Resorts offers several different Adaptive Pass Products for those that qualify for the pass program. Vail Resorts determines eligibility for the Adaptive Pass Program, as anyone determined to have a permanent disability that severely limits one or more major life activities. A permanent disability is a permanent physical, mental or sensory impairment that substantially limits one or more major life activities, such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. For those that qualify for the Adaptive Pass Program, the pass options for the 2017-2018 Winter Season are as follows:

- Full Adaptive Season Pass for \$ 429 (Valid in all Resorts: Vail, Beaver Creek, Keystone, Breckenridge, Arapahoe Basin, Park City, Afton Alps, Mt Brighton, Wilmot, Heavenly, Northstar, Kirkwood, Perisher and Whistler Blackcomb)
- Child Adaptive Pass for \$ 225 for children 12 years old and younger (Valid in all Resorts)
- 5-day Adaptive Pass for \$ 259 (Valid in all Resorts)
- Tahoe Adaptive Pass for \$275 or Tahoe Adaptive 5-day Pass for \$169 (Heavenly, Northstar, & Kirkwood)
- Adaptive Urban Pass for \$219 or Adaptive Urban 5-day Pass for \$129 (Mt. Brighton, Wilmot & Afton Alps)

Adaptive Passes are unrestricted (valid every day of the season) and can be purchased at the same price during the course of the winter season. Passes may be upgraded to a full season pass at any time throughout the season. Pass Insurance is offered through "Beecher Carlson Insurance Services" and is an option well worth considering in order to protect your investment.

The Adaptive Pass also gives you the ability to purchase *one* guide/companion lift ticket per day for a reduced price, by presenting your adaptive pass at a ticket office on the day of skiing. The guide / companion must be assisting /with the adaptive skier/rider at all times. This option is not available at Arapahoe Basin or Perisher. Six "ski-with-a-friend" tickets are also available for friends and family, which are not restricted to skiing/riding with the pass holder. Advanced purchase of Ski-with-a-friend or guide/companion tickets are not available.

**New and annually renewing Passholders:** Please complete the 2017-18 Adaptive Pass application and take it to any Vail Resorts season pass office. Once eligibility is verified, your pass will become active upon payment processing.

- Visual observation of disability (No additional documents needed and only available for in-person purchases)
- Driver's license noting restrictions
- Golden Access Passport (issued by the Department of the Interior for accessing National Parks)
- Certification from a private Vocational Rehabilitation or other Counselor that states that the person needs an accommodation
- Request/Documentation from a State Vocational Rehabilitation Agency counselor
- Other State issued proof of disability
- Letter or record from a Federal Government agency that reflects the person has a disability
- Letters or medical notes from physician's/medical professionals that request accommodation

*Season Passes purchased through the Adaptive Pass Program are subject to all of the terms and conditions of all Vail Resorts season pass products, including on-mountain rules and the Colorado Ski Safety Act. Pass holders or their parents will be required to sign a release of liability form prior to purchasing a season pass.*

*As a reminder, season passes are for personal use only and may not be resold, exchanged, transferred, leased, or otherwise used for commercial gain. Violations of this restriction or other fraudulent use may lead to revocation of the season pass and reporting to local authorities. Passes are Non-Transferable and may only be considered for a refund when pass insurance is purchased*
